

Health

Focus on your health, not the logistics

Color can help you prevent cancer, get care for it,
and live your life after it.

Start saving time and money with **color**

Here's what you get when you activate your new care benefit —
completely covered by MTM:

Your Color Benefit includes	Cost to you
A personalized risk and screening plan	\$0
At-home screening options for cervical, prostate and colon cancers	\$0
Access to a team of cancer experts	\$0
A dedicated care advocate who makes appointments on your behalf	\$0

This benefit is available to you, your spouse and dependent
children age 18+ who are enrolled in one of the MTM medical
plans administered by UMR

To claim your benefit scan the QR code or visit
color.com/mtm

The American Cancer Society (ACS) is a nonprofit organization that routinely publishes guidelines, and as part of this program, ACS contributes its expertise and educational materials on cancer screening and prevention and connects participants who contact ACS with ACS cancer-related information. A portion of the fees generated from this program will be used to support the ACS mission. ACS does not provide medical or clinical care.
