Why Use the RxSS Mobile App?

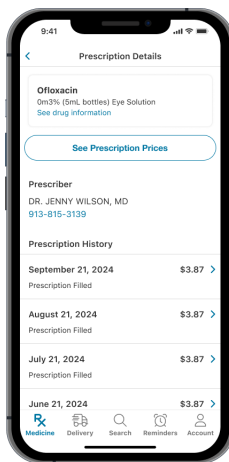

The RxSS app is like having a personal pharmacist ready to help with all your prescription drug needs:

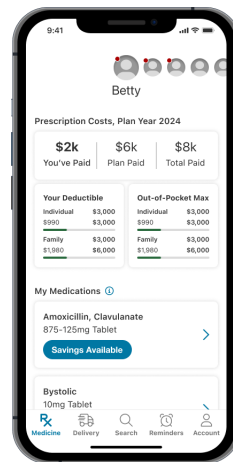

Always know when you have lower-cost options available

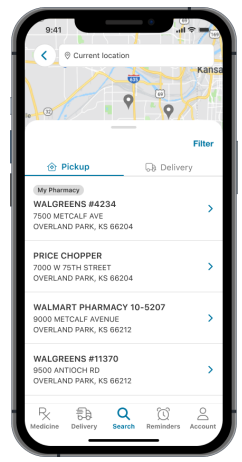

Search for lower prices on any medication

View your medication history for the past six months

Track your deductible and out-of-pocket maximum

Locate and compare prices at in-network pharmacies

About Rx Savings Solutions

Rx Savings Solutions (RxSS)

helps show you all the lower-cost options you have for prescription drugs. This app lets you tap into the power of RxSS on the go —at the doctor, pharmacy or whenever you need it.

You can also access your RxSS account online at **myrxss.com**
